That crazy rally, scoring the winning shot, receiving a standing ovation at the end of the concert, the first crush. They make memories every day and we want to preserve them forever.

Only the printed yearbook will be around 50 years from now --- and even 10 years from now. Beta Tapes, VHS yearbooks, CD-ROM movie books and Facebook are dead technologies for today's students. Just try to flip through (playback) your parents VHS yearbook! Order the real yearbook that will last forever--and preserve your best memories of 2016-17.

Save $20.00 off the delivered price if you order now!
