Support and assist Camp Director, summer schedule "full time"

Please see our web site and complete an application
at: camphomitakoda.org

Camp Ho Mita Koda is the oldest and longest running diabetic summer camp in the U.S. Located on 72 picturesque acres east of Cleveland, OH in Geauga County, Camp Ho Mita Koda continues to be the highlight of hundreds of diabetic children's summers. Our goal is to help our campers have fun and learn about their disease and how to manage it.
