

After Prom 2019

Volunteers Needed

Dear Kenston Parents,

Kenston AfterProm is May 4th and we know that your student's safety is priceless. AfterProm is a drug and alcohol-free party at the school immediately following the Prom with the over-riding goal of keeping our students safe on a traditionally risky night. It is fully planned, created and hosted by the parents. Last year more than 425 students attended the AfterProm and had a great time in a safe environment. **WE NEED YOUR HELP!**

You do NOT have to be a Junior or Senior Parent to help. Pay it forward..the more the merrier!
