

IMPORTANT NOTICE

If you plan on moving over the summer (*either within the district or out of the district*), please let the Timmons office know as soon as possible.

WITHIN THE DISTRICT: The Information Update Form is available on-line at the Timmons website and also outside the office in the information racks on the wall. It is critical that we have correct addresses for the classroom assignment mailing that goes out in August.

OUTSIDE THE DISTRICT: The Student Withdrawal and Release Form is also available on-line and outside the office in the information racks. Please notify us so that we can be prepared to forward records to the new school.
