

2020 FALL SPORTS TICKETING AND SPECTATOR POLICIES

INTRODUCTION

This year, high school and middle school athletics depend on everyone's cooperation and support to follow the safety guidelines set by the Ohio Department of Health, the Governor's Office and the Ohio High School Athletic Association. As we have seen, the opportunity to play sports can be taken away by the spread of COVID-19.

One of the changes affecting school athletics is limiting the number of spectators at all athletic events. Due to the Ohio Department of Health order placing limits on seating in indoor and outdoor venues, no general admission adult, student, senior tickets, Gold Cards or season passes will be available for the 2020 Fall athletic season. There will be no ticket sales at the gate. Spectators will be limited to ONLY family members of the student-athletes. Families will have the opportunity to pre-purchase a limited number of tickets for each athletic contest as determined by the sport (see details below).

Schools in the state have been granted the chance to provide the opportunity to students for friends and family to be in attendance but also tasked with meeting the strict capacity limits defined in the health orders. As we provide the access to purchase to the student-athlete specifically, it is up to the student-athlete to distribute them to the people of his or her choice and to also distribute them however they choose amongst the competitive opportunities on their specific sport's schedule.

We are exploring ways for the greater community to enjoy these athletic events and cheer on the Bombers from the comfort of their own homes. Please refer to kenstonlocal.org for upcoming live streaming events.

We are collectively working together to do what we can to keep our student-athletes, coaches, officials, and spectators safe. We appreciate the community's support and cooperation to have a safe and successful season and school year.

HEALTH GUIDELINES

- Anyone experiencing COVID-19 symptoms must stay home. According to the CDC, symptoms include fever, chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea.
- Family/household members should sit together, physically distanced from other individuals/families (please sit on seats marked on tape).
- 6-foot physical distancing should be maintained throughout the facility

- No congregation before or after games is permitted
- Spectators must wear face coverings at all times except for the following reasons:
 - A medical condition that restricts breathing
 - Seated and actively consuming food or beverage
 - Communicating with the hearing impaired
- Spectators must be seated in the stands. Standing on fence lines is not permitted unless it is temporary and 6-foot physical distancing is maintained.
- Every other row in the stadium and gym will be closed to seating to provide for more physical distancing.
 - Spectators must sit in the seats marked by tape.
- At-Risk family members are urged to stay home; these include:
 - People with chronic lung disease
 - People who have serious heart conditions
 - People who are immunocompromised
 - People with severe obesity (BMI over 30)
 - People with diabetes
 - People with chronic kidney disease undergoing dialysis
 - People with liver disease
 - Women who are pregnant

HOME TOWN TICKETING (ONLINE TICKET SALES PLATFORM)

Tickets are now available for purchase online. This will be the **ONLY** way tickets will be sold for fall sporting events beginning with contests on September 8, 2020. Unless stated differently, all tickets will cost \$6 plus a service charge.

Tickets can be printed or viewed on a smart phone and will be scanned at our gates for admission. These tickets will also be good for use at away WRC opponent venues and some non-conference opponent venues if agreed upon between schools.

Student-athletes and their families will be able to purchase tickets to all events listed. In order to ensure that our state-imposed capacity limits are met, you must enter the student's School ID Number as a unique code to gain access to your purchase. Since tickets are reserved for family or household members only through the student, that ID number should not be shared with others.

SPECTATING AND TICKETING GUIDELINES

General Requirements

Due to strict spectator limits imposed by the Ohio Department of Health order, the following ticket policies have been approved by the Western Reserve Conference and will be in place for the fall 2020 sports season.

Kenston High School will provide tickets to all home contests and away WRC contests online – please see the Home Town Ticketing section for additional information on how to purchase tickets online.

Non-Conference Away Games: In the event that we are not able to sell our own tickets to our spectators, ticket policies for non-WRC opponents will be communicated to families when appropriate.

Tickets must be printed for our away games.

Home fans must sit in the home sections and visiting fans must sit in the visitor's sections at each of our venues.

Ticket Specific to Event

Tickets are good only for that date and particular event and are not redeemable for tickets to any other events. Tickets are therefore null and void after the date of the event regardless of whether or not they were used for admission.

Siblings on Same Team

The ticket purchase opportunities are particular to the student-athlete. Therefore, if there are siblings on the same team, each sibling may purchase up to two tickets for their events.

Kenston Staff Attendance

With the strict attendance requirements across the state, there will not be the typical employee admissions at home sporting events. All schools are tasked with managing capacity and must have the ability to account for all attendees.

Our ticket policy is student-centered, meaning the attendance benefit for any qualified employee will be honored but only if the employee is a member of the student's household as registered with the school district in Infinite Campus.

Employee parents of students will be subject to the capacity restrictions in all other ways but in order to receive the two complimentary admissions to an event, the employee must contact the Athletic Director at least 72 hours prior to the event to be provided with complimentary admissions in their student's particular sport.

Kenston Student Attendance

The high school administration will work with the Kenston Krazies student fan group to provide limited opportunities for students who would not typically qualify for attendance under our general policies. These events will be determined on a case-by-case basis and will at all times be subject to our attendance and capacity requirements.

Raffle Winners

Any individuals who received 2020-21 attendance passes from raffles held during the 2019-20 academic year will be honored at a future date when health and attendance restrictions have been relaxed or lifted.

STREAMING

We hope to provide live streaming options in each of our ticketed spectator sports that limit in-person attendance. When possible we will broadcast live from our Twitter account @KHSBomberSports as well as from the Kenston Athletics Booster account @KABoosters. Our volleyball program will also be able to broadcast most of their events @Kenston_KBV. We are also looking at partnering with a live-streaming platform as a long term option for our fans to remotely view our events in the gymnasium and in the stadium.

WEATHER PLANS

Cancellations

- If an event is cancelled prior to start, we will either issue a refund or allow you to present your ticket for admission to another event (assuming we may remain under capacity)
- If an event is ruled a complete game after a weather delay or shortening of the game, tickets will be considered redeemed whether or not they were used to enter the venue for the contest.

Emergency Action Plan

We may experience delays during our outdoor contests due to lightning or other inclement weather. Spectators should follow these instructions until guided to return to the stadium or to go home.

- The venue will be emptied
- All spectators should return to their vehicles
- All opponent student-athletes and personnel should return to their busses
- Our home team will be directed to our middle school locker rooms with JV entering one locker room and Varsity entering the other
- Gate workers should go to either the home or away ticket booths
- Press box and concession workers should remain in their areas with the PA team making all necessary announcements
- Our game managers will help to coordinate information to teams and spectators

CONCESSIONS

- We will have two venues where concessions are present – Kenston Bomber Stadium and Kenston High School outside of our Main Gymnasium
- Attendants will follow all Ohio Department of Health Protocols
- Only pre-packaged food and drinks will be sold
- We will limit workers in the booth to three at a time and will require they be masked
- Glass partitions have been installed for protective barriers
- Individuals in line must practice social distancing
- Concession stand workers must wear ID lanyards to gain access to the venues
